Built in 2018, the RV African Dream is one of the gems of the CroisiEurope fleet with a magnificent setting for a dream safari-cruise in Southern Africa, overflowing with history and wildlife. A real cocoon of charm and elegance.

Combining elegance and exoticism, comfort and refinement, the RV African Dream is a luxury cruise ship, which sails on Lake Kariba. The ship measures 33 m long and 8 m wide, and can accommodate 16 passengers, in 8 cabins with a size of 17 m<sup>2</sup>. Of all cabins, 6 are with a French balcony and 2 with a small private terrace, offering amenities and providing guests with all the comforts they need during their stay.

The spacious areas and large windows give the ship a bright appearance. The interior is decorated with noble wood and local fabrics and blends in perfectly with the splendid surrounding landscapes.

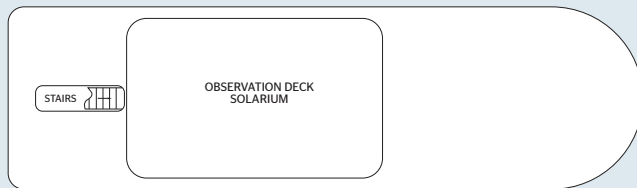

Situated on the upper deck are a small pool, the restaurant and lounge/bar where binoculars are available for wildlife and flora watching. The sun deck remains the ideal place to relax and admire Southern Africa's magnificent sites, which are among the most beautiful in the world.
