

Quixotic Charters Fiji

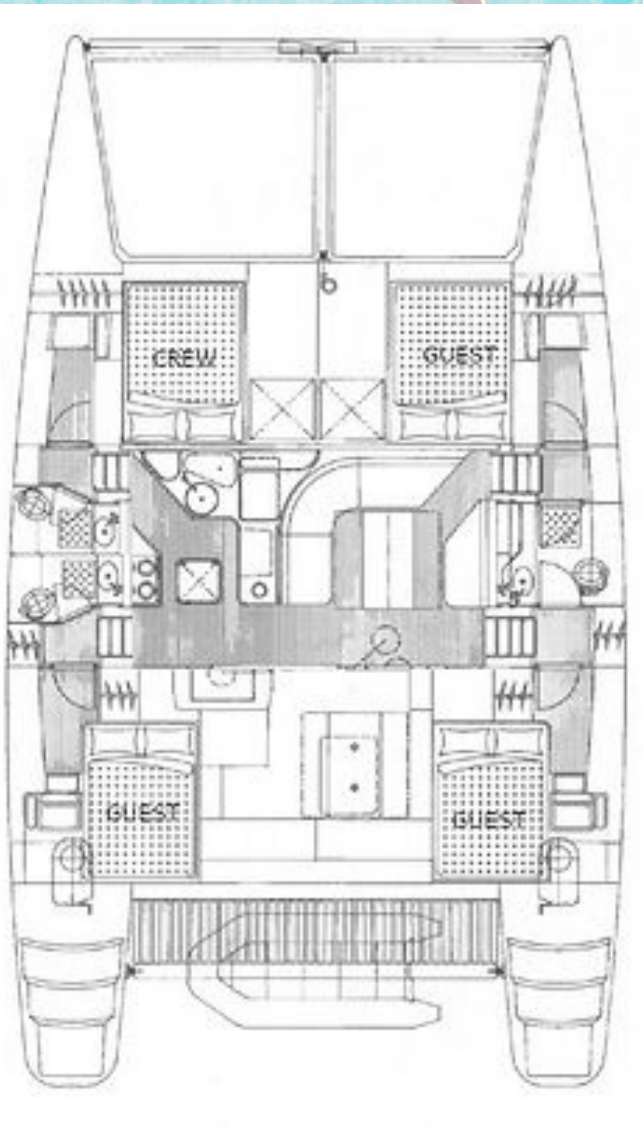

*Private luxury sailing
catamaran for the
adventure of a
lifetime in Fiji!*

The Quixotic is a South African-built Voyage Norseman 430 open-ocean sailing catamaran that has just undergone an extensive refit in 2016-2018. She is 43 feet long and 25 feet wide.

She has four private queen-sized staterooms and three private heads (bathrooms) with an overnight guest capacity of six, with room for up to 14 guests on a day excursion.

Her back deck and large swim platforms allow for easy boarding and make for a great place to fight in that big catch; the swim platform also has a boarding ladder and fresh water shower.

Stateroom

Each stateroom has a queen-sized berth with high-quality linens, excellent ventilation with 12v turbo fans and air conditioning, reading lights, USB and 12v car plugs. The private heads are adjacent to each stateroom and feature flushing toilets, sink, mirror and hot water showers.

En suite Bathroom

Salon

Walk-thru Bathroom

Galley and Salon

Her fully-equipped galley enables the Chef to prepare delicious meals. Her 120 liter-per-hour water maker ensures ample fresh water aboard.

Destinations

This is the dream trip and Quixotic is here to help it become just that. There are over 330 islands in Fiji to discover and QUIXOTIC can sail anywhere in Fiji!
Here are just a few of the beautiful islands in Fiji:

Rabi Island

Ringgold Islands

Mamanuca Islands

Yasawa Islands

Before arrival we can discuss a general itinerary but the exact course will be charted later at the yacht after discussing desires, preferences and with due consideration to weather forecasts.
