INTRODUCTION

By Indochina Sails / Since 1993

For over 30+ years, Indochina Sails has been a pioneering name in Vietnamese luxury cruising, the first to redefine travel in Halong Bay, a world wonder where limestone cliffs meet emerald seas. Guided by a deep respect for heritage and craftsmanship, Indochina Sails has become synonymous with timeless elegance, artistry, and authentic experiences.

Following its remarkable success in the North, the brand now brings its signature Indochine spirit to Southern Vietnam with the launch of **Mekong Saga Cruise** - an overnight voyage along the legendary Mekong River.

Blending the mystique of Viet & Champa cultures with graceful Indochine architecture, Mekong Saga offers a seamless harmony between tradition and modern comfort. Onboard, guests will find refined spaces - from the elegant restaurant, bar, lounge, and spa to an expansive sundeck, mini golf course, and swimming pool, creating a serene retreat to immerse in the rhythm of the Mekong.

OUR STORY...

On the land where Himalayan winds meet the breath of the East Sea, the Mekong River has flowed for millennia - carrying silt, stories, and the spirit of 2 great civilizations: Champa, Viet. Here, people live not against the river, but with it - embracing a philosophy of harmony, artistry, and respect for nature. **Mekong Saga** was born to revive this living heritage - where ancient values breathe again in modern grace.

*"Legacy isn't what remains in museums
It's what continues to breathe through those who remember."*

CRUISE ITINERARY (2D1N or 3D2N)

Mekong Saga does not race against time. It drifts - gently - so travelers may truly see and feel. Its 2 days 1 night or 3 days 2 nights journey **from Cần Thơ to Cái Bè** unveils the living soul of the Mekong Delta: villages where artisans still shape clay, weave mats, and craft coconut candy by hand. Golden Khmer temples echoing prayers in the wind. Ancient Southern houses glowing. Each stop is not a sightseeing moment, but a cultural encounter-an invitation to listen, touch, and remember the heritage that endures through time.

LUXURY ONBOARD AMENITIES

With just 24 cabins, including 10 with private balconies, Mekong Saga Cruise offers an intimate sanctuary where each room is a living artwork. Inspired by Champa, and Vietnamese heritage, every cabin glows with natural light and features handcrafted details made from the finest materials of the Mekong Delta. Expansive windows and luxurious bathrooms invite guests to immerse themselves in the serene beauty of the river in absolute comfort.
