Nanggulan Craft Village Tour

Tour Highlights

Leaving the hustle of the city behind and stepping back in Nanggulan, Kulon Progo. Feel and get an amazing experience with us! It's not just an ordinary atmosphere; it's the clean, fresh scent of fertile earth and green rice paddies that stretch as far as the eye can see. Our journey today isn't about speed; it's about savoring the simple beauty of Javanese village life from the open top of our classic VW or Bicycle (choice).

We are in the heart of rural Java. We are cruising through a living tapestry of emerald green. These tiered rice fields aren't just beautiful; they are the livelihood of the community here, maintained for generations with remarkable care. The landscape rolls in gentle waves, framed by the quiet, majestic silhouette of the Menoreh Hills in the distance.

Let's craft your day uniquely and memorable, only with Java Bali Group!

Inclusions:

All entrance fee based on the program,, private tour, tour guide,bikes or VW classic car, amenities, tropical fruits, mineral waters, cool towels, Lunch
